

## **Special Notes in Response to COVID-19**

For the safety of participants and teachers, please note the following health precautions and vaccine requirements:

- Participants are kindly reminded that the latest Prevention and Control of Disease Regulations and related vaccine bubble requirements implemented by the Government at the time of the classes must be complied with. Participants are required to fulfil the “Vaccine Pass” requirements, unless exempted under the law. Changes to existing arrangements may occur in light of new pandemic measures and government directives. Please refer to government announcements for updates.
- Participants are required to comply with the safety measures implemented by the class venues.
- Participants are advised to arrive punctually as they are required to go through temperature checks upon entering the class venues. Attendees with a temperature of 37.5°C or above will not be admitted.
- Participants are required to wear their own masks and maintain social distancing in the venues.
- Admission rules are subject to change by respective class venues for prevention of disease.
